

Ohana Arts and Hanahau`oli School present

Musical Theatre Workshop

Grades 1-4

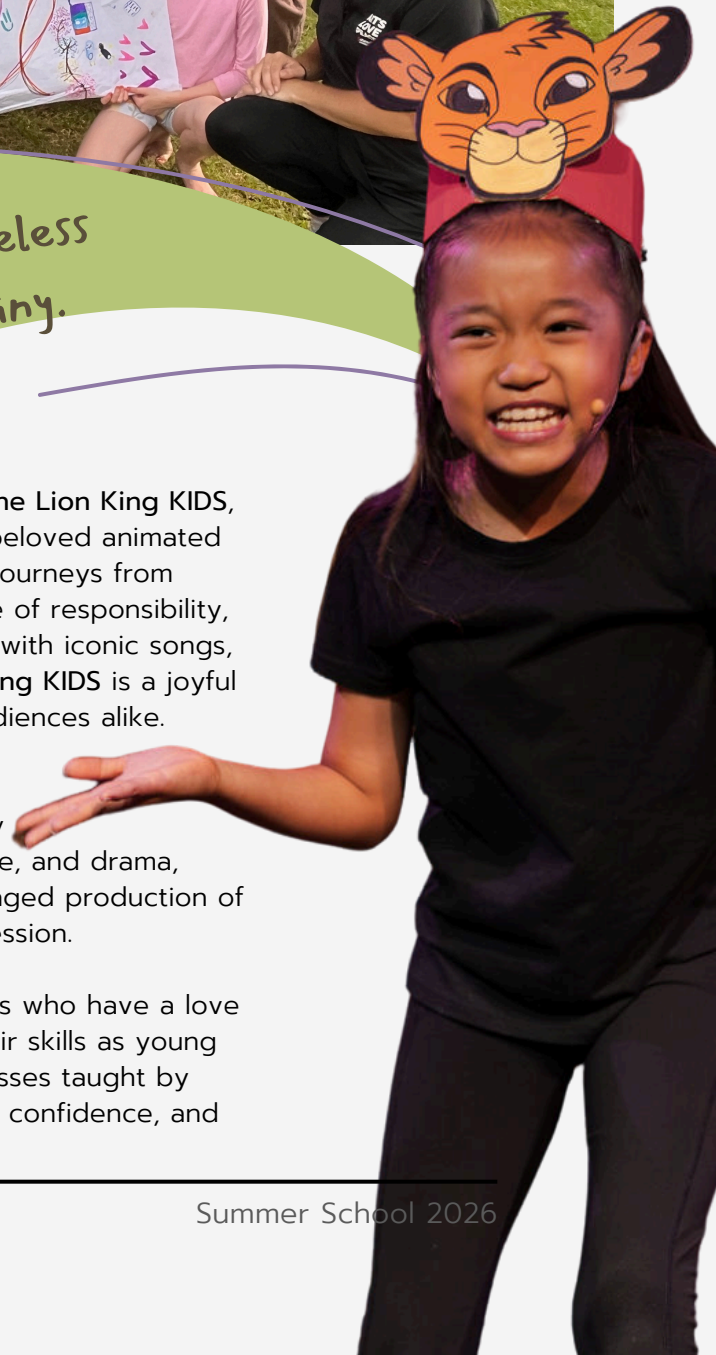

Celebrate the Circle of Life in this timeless story of courage, friendship, and destiny.

The African savanna comes to life on stage in Disney's *The Lion King KIDS*, a vibrant and inspiring musical adventure based on the beloved animated film. This unforgettable story follows young Simba as he journeys from playful cub to confident king, discovering the importance of responsibility, courage, and finding his place in the Circle of Life. Filled with iconic songs, colorful characters, and powerful storytelling, *The Lion King KIDS* is a joyful and moving theatrical experience for performers and audiences alike.

Our Musical Theatre Workshop provides a unique opportunity for students to study with world-class faculty and guest artists from around the country in music, dance, and drama, through an exciting program that culminates in a fully staged production of Disney's *The Lion King KIDS* at the end of the summer session.

This Musical Theatre Workshop is geared toward students who have a love for musical theatre and are serious about developing their skills as young artists. Students will explore acting, dance, and music classes taught by Ohana Arts' top musical theatre staff, building technique, confidence, and ensemble skills along the way.

Ohana Arts and Hanahau`oli School present

Musical Theatre Workshop

Grades 1-4

The curriculum will include scene study, acting through song, musical theatre dance techniques, and more. Students will learn lines, staging, and choreography as they rehearse for a fully staged musical theatre production of Disney's *The Lion King* KIDS.

The performance will be in the Hanahau`oli School Pavilion on Friday, July 17 at 11:00 am and 1:00 pm before an audience of friends and family.

Musical Theatre students may choose a half-day option or join Adventures in Play in the afternoon for a whole-day option. Adventures in Play offers six fun tracks - including more Ohana Arts fun!

See page 13 for afternoon activities.
